publicize the good work and programming done by the library. They may start with a stronger presence at the Sam Collins Day event.

OLD BUSINESS: (a) Hartford Foundation for Public Giving Grant: The library is slowly purchasing the software needed to install on the laptops. To take advantage of deep discounts, the library can buy only a small number of copies of the software at one time. Programs using the remainder of the grant have been planned. The first will be in September. **(b) Budget Request FY 2011-2012:** The library was able to reduce its budget to meet the \$2,000 reduction that resulted from the Board of Finance cuts to the Board of Selectman's budget. We will eliminate the purchase of 3 new printers and some computer supplies, and there was a reduction in costs for LIC's electronic services. The library's operating budget for FY 2011-12 will be \$537,870.00. **(c) Community Outreach:** The board discussed using video, the web site, and bumper stickers to support new efforts for community outreach.

NEW BUSINESS: (a) Trustee Resignation and Replacement: Chair of the Board Lee Foley is resigning because she is leaving Canton in July. Our by-laws state that the Vice Chair will act in her place temporarily. The board will have a vacancy to fill and will need to elect a new Chair. We will miss Lee and the good work she has done. The trustees wished her well. **(b) Policy on Patron Behavior:** Director Simon circulated a revised *Patron Behavior Policy*. The new policy was discussed but no vote was taken because Trustee Karen Berger had to leave the meeting before the end of the discussion and that resulted in the lack of a quorum.

OTHER BUSINESS: (a) Director Simon told the board that the selectmen would like the library to consider revenue-making activities. The library will raise the charge for color printing to 50 cents per page. Other ideas mentioned would be to become a center where people could obtain passports and to offer the Library Program Room as a site at which parents could hold children's birthday parties for a fee. **(b)** The board also discussed with the Director the need to have a specified "chain of command" so that staff knows who to go to in an emergency at which the Director is not present. Lee Foley mentioned that most businesses now have a "Business Continuity Plan" and perhaps the library should look into developing one, too.

ADJOURNMENT: Upon a motion by Ms. Foley, the meeting adjourned at 8:58 p.m.
